The HWR-centre in Emmering near Munich.

You can obtain HWR products from small bottles to bulk containers for an optimal use in every situation.

Effective manufacturing processes provide for reliable quality and service.

## Vehicle cleaning and care

### 4020 MONIL®-PR 2000

Cover and Truck Cleaner  
IWL certified

### 4060 MONIL®-MA

Motor and car cleaner  
IWL certified

### 4065 MONIL®-KD

Air conditioning disinfectant for cars

### 4068 MONIL®-BIKE 3000

Top-quality special cleaner for motorcycles and racing machines

### 4080 MONIL®-HD

Highly concentrated high-pressure cleaner

### 4090 AKTIV-SCHAUM

Concentrate for pre-washing in car-wash facilities

### 4100 MONIL®-SHAM

Car shampoo concentrate

### 4110 MONIL®-FLÜ

Liquid leather for self-service car wash facilities

### 4120 MONIL®-KON

Safe preserving agent for car wash facilities

### 4130 MONIL®-THERMO

Safe hot wax preserving agent for car wash facilities

### 4135 MONIL®-SUNNY

High-performance additive for windshield washers in cars

### 4136 MONIL®-FROSTY

Anti-freeze for windshield washers in cars

### 4300 MONIL®-WH

Washroom and fountain cleaner IWL certified

### 4310 MONIL®-FR 3000

Wheel rim cleaner

### 4312 MONIL®-FR foam-free

Wheel rim cleaning concentrate for automatic use

### 5300 TB 2000

Parts and brakes cleaner

## Industrial cleaning

### 2080 GERUCH-EX

Smell-binding grease decomposer on orange oil basis

### 2410 CIP-CLEAN A

Alkaline tank cleaner

### 2420 CIP-CLEAN S

Acidic tank cleaner

### 2460 BW 50 A

Special alkaline cleaner for industrial container and boxes washing plants

### 2480 BW 10 S

Special acid cleaner for industrial container and boxes washing plants

### 4040 MONIL®-MR 2000

Machine and floor cleaner

### 4045 MONIL®-AFR 100

Aluminium facade cleaner, RAL quality label

### 4070 MONIL®-WBR

Workshop floor cleaner  
IWL certified

### 4080 MONIL®-HD

Highly concentrated high-pressure cleaner

### 4140 MONIL®-ER

Highly concentrated industrial cleaner

### 4160 MONIL®-AS

Industrial cleaner low-foaming with anticorrosive

### 4200 MONIL®-RS

Corrosion protection, rust converter

### 4220 KORPHOS

Rust remover

### 4250 SAN-PLUS® D

Cleaner for printing plates and film development devices

### 4280 EK 100 SUPER

High-performance descaler and concrete dissolver

### 4500 BITU-EX

Strong adhesive bitumen and tar solve

### 4520 MX 10 S

Nearly scent-free parts cleaner

### 4540 MX 20 S

Industrial parts cleaner

### 4560 MX 100 D

Print roll cleaner

### 4580 ELEKTRO 2000

Electrical equipment cleaner

### 4600 B 100 T

Concrete separating agent

### 4660 ELOXIN

Facade cleaner and care, RAL quality label

### 4750 WAFEX

Wall paint dissolving agent

### 4752 MONIL®-KE fluid

Liquid cold lacquer remover

### 4753 MONIL®-KE gel

Viscous cold lacquer remover

### 4760 FLÜSSIGENTHÄRTER

Highly-concentrated hardness stabiliser

### 4780 OELBINDER

Oil binding agent

### 5300 TB 2000

Parts and brakes cleaner

### 5520 COLOR-EX

Plastic special cleaner and graffiti removing agent

### 8590 Orgaferm®-Spot

Biotechnological oil stain remover

### 8595 Orgaferm®-Bag

Biotechnological oil catch pillow

## Water treatment

### 4710 ALGEN-EX

Liquid algae annihilator

### 4720 AK-COMBI

Liquid additive to prevent the formation of algae and lime

### 4730 MONIL®-PLUS flüssig

Liquid concentrate to raise the pH-value

### 4732 MONIL®-MINUS flüssig

Liquid concentrate to lower the pH-value

### 4734 MONIL®-FLOC SB

Flocculation agent for swimming pool water

### 4736 MONIL®-FLOC BW

Flocculation agent and emulsion breaker

### 4740 CHLORO-DES

Water disinfectant for swimming pools

### 4746 OXY-DES

Biocide for water treatment

## Maintenance products

### 5010 COPPER-LUB 1300

Special lubricant – lead free – copper coloured

### 5016 HWR-KERAMIK-SPRAY

High temperature ceramic based lubricant

### 5020 SILVER-LUB 1000

Special lubricant – lead free – silver coloured

### 5030 HLR-SUPER

High-performance rust dissolver

### 5040 AQUA-PUSH

Humidity penetrating agent, contacting agent

### 5050 ELEKTRONIC 2000

Electronic cleaner

### 5060 EASY-LUB

All-purpose penetrating oil

### 5070 SK 100

Rope and chain spray

### 5090 VS 100

Water-proof detention lubricant

### 5100 MULTI-TRENN® S

Separating agent, sliding agent and lubricant on silicone basis

### 5110 MULTI-TRENN®

Separating agent, sliding agent and lubricant, silicone-free

### 5112 MULTI-FILM

Separating agent, sliding agent, silicone-free

### 5120 HWR-ZINKSPRAY

Corrosion protection agent

### 5130 HWR-ALUZINK

Touch up spray

### 5200 HWR-KÄLTESPRAY

Electronics - Engineering - Chewing gum remover

### 5300 TB 2000

Parts and brakes cleaner

### 5340 LS 2000

Foam-building leak-finding agent

# Appliance equipment

Assure the optimal appliance of HWR-products

## 8A01 Foam gun

For house-water connection, tank capacity 0.7 litres

## 8A02 Foam gun

For house-water connection, tank capacity 2.0 litres

## 8A12 Hand spraybottle

Refillable, 0.5 litres

## 8A14 Hand spraybottle

Refillable, 1 litre, mounting of foamtip possible

## 8A16 Hand sprayhead

applicable to HWR-bottle

## 8A20xx Pressure sprayer

green, blue, red, yellow, 1.5 l, clean by color

## 8A22 Pressure sprayer

Refillable, 5 litres

## 8A24 Pressure sprayer

Refillable, stainless steel, 10 l

## 8A30 Mobile foam devices

Stainless steel, compressed-air connection, 24 l or 50 l

## 8A34 Foaming lance for high-pressure cleaners

Stainless steel, incl. tank with a capacity of 5 litres

## 8B04 HWR-bottle 1 litre

With different caps

## 8B60xx Outlet taps

For 10, 30, 60 l canisters and 120, 210 l barrels

## 8M1010 HWR-pressed sponge

## 8M1015 HWR-pad sponge

## 8M2010 HWR-handbrush

## 8M2992 HWR brush

for cold grill cleaning or paint stripping

## 8M30 Microfiber towel

in the colours red, yellow, green and blue

## 8M3050 Glass-decanter towel

Microfiber, colour blue

# Dosage pumps

Secure the fast and economical extraction of HWR-concentrates

## 8G01 Dosage pump

for dish washing machines, for cleaners

## 8G02 Dosage pump

for dish washing machines, for rinsing agent

## 8G38 Dosage pump

for dish washing machines, for cleaners and rinsing agent

## 8D70 Dosage head, 5-20 ml

Applicable to HWR-bottles

## 8D72 Dosage bottle 10-60 ml

Refillable, 1 litre

## 8D73 Dosage pump

For 10 l canisters, manual

## 8D74 Dosage pump

For 30 l canisters, manual

## 8D76 All-purpose dosage pump

For wall-mounting, manual

## 8D78 Manual pump

For barrel-mounting, manual

# Dosage stations

For the simple extraction of ready-to-use mixed HWR-concentrates

## 8D31 – 8D34 HWR dosage stations

stainless steel, Wall mounting, for 1 to 4 products, optional bottle or bucket filling 14 l/min

## 8D36 HWR Multiboy Dosage center

for two products and water, variable dilution, 15 m hose, incl. spray- and foam pistol

# Cleaning tools and accessories

For the professional cleaning of all kind of floorings

## 8R00 Carpet-extraction-cleaner

For the cleaning of all carpets and upholstery

## 8R06 Wet and dry vacuum cleaner

60 l

## 8R20 DUPLEX 340

Machine for the cleaning of all types of floorings. Roll width 280 mm.

## 8R22 DUPLEX 420

Machine for the cleaning of all types of floorings. Roll width 350 mm.

## 8R40 PowerDisc

Single-disc machine

## 8K0080 Disinfection mop holder 40 cm

With integrated reservoir for easy application.

## 8K0090 Coating Mop holder 40 cm

With integrated reservoir for easy application.

## 8K02 Mop holder

40 cm or 50 cm

## 8K07 Telescope aluminium handle

For Mop holder 8K02, 97–184 cm

## 8K40 Single bucket system

With bucket and Mop-press

## 8K45 Dual bucket system

With buckets and Mop-press

## 8K60 Cleaning system "GREEN"

With buckets, Mop-press and trash bag holder

## 8K65 Service cart

### "Hotel 900"

with wood shelves and trash bag holder

# Dispensers

For the economical use of HWR hand cleaning products

## 8N00 Paper towel dispenser

HWR line

## 8N024 Sanitary bag dispenser

HWR line

## 8N025 Hand towel roll dispenser

HWR line, with an automatic cut system and restroll function

## 8N02 Toilet paper dispenser

HWR line

## 8N04 Liquid soap dispenser, 1 l

HWR line, plastics for liquid- and foam-soap

## 8N05 Liquid soap dispenser, 0,5l

HWR line, plastics, for liquid- and foam-soap

## 8N06 Air-fresh dispenser

HWR line, electronic, for aerosol-cans

## 8N09 Hand-dryer

HWR line, electrical

## 8N20 Liquid soap dispenser, 0.5 l

plastic, lockable

## 8N40 Liquid soap dispenser, 0.5 l

Aluminium

## 8N42 Liquid soap dispenser, 1 l

Aluminium

## 8N44 Special dispenser for wall mounting

Autoclavable, aluminium. For hand disinfection with long arm lever

## 8N46 Liquid soap dispenser, 2.5 l

Lockable, aluminium

## 8N80 Soap dispenser, 1 l

For hand washing paste

## 8N81 Soap dispenser, 3 l

For hand washing paste incl. wall holder

## 8P49 Floor stand

for cleaning rolls with or without trash bag holder

## 8P49 Wall holder

for cleaning rolls

# Paper products for dispensers

## Paper hand towels

zigzag-fold

## Hand towel rolls

## Toilet paper

## Cleaning roll

1000 sheets

## More than 150 speciality products for cleaning and maintenance

The HWR-CHEMIE GmbH® supports the commercial and industrial cleaning with concentrates which meet the highest demands to environmental-, material- and skin sustainability.

Since its foundation in the year 1988 the HWR-concept convinces more and more users in catering, hotels, care institutions and industry.

## Environmental awareness – for mankind and nature

Each HWR-product is manufactured from high-quality raw materials, which are preferably of natural source. They meet strict requirements to environmental protection during manufacturing, storage and transportation. This is guaranteed by our quality and environmental management system, which is in accordance with the international standards DIN EN ISO 9001 and DIN EN ISO 14001 and certified by the DQS (German Quality Assurance Institute). HWR products are manufactured, stored and distributed under strictly waste-limited conditions – this is an important contribution to the long-lasting conservation of our environment.

## Working hygiene for the demanding customer

Whether for catering, care centers or industry: The adequate cleaning products ease work and save time and money. HWR-concentrates provide for the best cleaning effect, hygienical conditions and a clean, appealing ambiance. At the same time the value of your machines and buildings is warranted. An extensive assortment of accessories ensures the simple and economic use of the HWR-products. In this way even demanding users can be satisfied!

## Service – you take the centre stage

You can obtain HWR-products via direct marketing from stock within 48 hours. Our local distribution-partners inform you in questions of working hygiene, cleaning and automation.

The HWR customer service advises you in the same time in questions of appliance and ordering.

## Kitchen and food hygiene

HWR hygienic concentrates for catering and food processing industry meet highest demands to effectiveness and efficiency. The areas kitchen-cleaning, dish-washing machine, disinfection and hygienic consulting cover all aspects of the demands of modern shop hygiene.

## Maintenance cleaning

HWR hygienic concentrates feature the yielding and clean solution for maintenance cleaning and sanitary hygiene. Intelligent system solutions for hotels, hospitals, communal establishments and office buildings stand the test by reliability and brilliant results.

## Hand cleaning and protection

HWR products for skin protection, skin cleaning and skin care meet all demands to modern skin-protection and disinfection concepts in kitchen, maintenance, workshop and industry. Individual skin-protection plans secure an effective documentation.

## Fountain-, pool- and process water treatment

The optimal treatment of swimming pools, wells and process water requires high demands on maintenance and care. HWR special products meet highest standards for manufacturing and environmental friendliness. They secure a perfect appearance, hygiene and functioning.

## Industrial cleaning, vehicle cleaning and care

HWR cleaning concentrates and technical maintenance products minimize the effort for cleaning and maintenance. Customized solutions by HWR have proved themselves for over a decade in industry, work shops, repair shops, car washes and technical maintenance.
